

## Get your CFD education with the market leader

### Don't be the last to know about CFDs

Whether you're new to trading, just new to contracts for difference (CFDs) or are an advanced trader, CMC Markets Education offers a host of resources, online tutorials, courses and information to help make the learning experience easier for you and through this, hopefully more profitable.

CMC Markets Education offers the 1-day Getting Started Trading CFDs and the 2-day Pro CFD Trader courses,

which are both delivered by practising traders with several years of trading experience.

Course details are available at [www.cmcmarkets.com.au/education](http://www.cmcmarkets.com.au/education) or call to discuss your needs on 1 300 552 414 (Australia) or 9 359 1230 (New Zealand). Our trainers are all experienced traders and look forward to helping improve your trading knowledge.

#### 'GETTING STARTED TRADING CFDs' 1 Day course

Melbourne 16th September	Melbourne 14th October
Adelaide 16th September	Perth 21st October
Perth 23rd September	Adelaide 21st October
Sydney 30th September	Sydney 28th October
Brisbane 7th October	

#### 'PRO CFD TRADER' 2 Day course

Brisbane 9th & 10th September  
 Auckland 16th & 17th September  
 Sydney 30th September & 1st October  
 Melbourne 7th & 8th October  
 Adelaide 14th & 15th October  
 Perth 28th & 29th October

A recent 1 day 'Getting Started in CFDs' survey showed that 100% of course attendees said they would recommend the course to others.

The same survey showed that attendees gained useful and practical knowledge on various trading issues such as:

- Trading different markets
- Short selling
- Using stop loss strategy to protect capital
- Using contingent orders
- How to use electronic trading platform

#### WHAT ATTENDEES HAVE SAID

"CMC Markets Education has been the most significant influence on my development as a trader.

I am making more than double what I made as an engineer" – Maurice

"Two of the best days I have ever had in a classroom" – Paul

"The most beneficial two days in my share trading & derivative trading career" – David
